## SCORES OF NEWSPAPERS PUBLISHING TESTIMONIALS

Scores of newspapers throughout the country are publishing local testimonials of many of the very best and most truthful citizens, giving names, street and number of those who have tried the great medicine, Root Juice, and were cured by its use. Many of the testimonials are similar to the following, which was copied from the "Daily Review," Greensburg, Ind. J. W. Boyle, of 116 East Washington street, said: "My wife has been taking Root Juice and it has done wonders for her. Before taking it she had a very bad stomach. Recently her trouble was aggravated by an attack of la grippe. Her appetite was very poor, but after taking the Root Juice a few days she had a good appetite and could digest everything she ate without the least pain or inconvenience. She is no longer weak and nervous, and seems like a new woman. The remedy has proved a wonderful blessing to her."

As so many people are talking about Root Juice and telling about its great healing and toning qualities to the stomach, bowels, liver and kidneys, there is but little doubt in the minds of the people at this point regarding the unusually great merit of Root Juice, and many proofs of its curative qualities can be found in this locality. The people at the Wejdo drug store are glad to sell Root Juice because of the satisfaction it gives.
